ABOUT - UNIVERSITY

Vivekananda Global University offers a globally recognised education system and curriculum to prepare you for the future. VGU, Jaipur is the leading private University of Rajasthan, established by the Rajasthan State Assembly Act 11/2012 and sponsored by Bagaria Education Trust, Jaipur. The university is known for its education policies, teaching-learning processes, research, innovation, entrepreneurship and placements. The university offers courses in Engineering, Architecture, Medical Science, Design, Basic and Applied Science, Management, Law, Humanities, Agriculture, Hospitality, Journalism and Mass Communications. At just over a decade old, VGU has become the fastest and the youngest growing University in India, accredited with Grade A+ National Assessment and Accreditation Council (NAAC), an autonomous institute to assess Higher Education. VGU scored highest in the First cycle of NAAC accreditation. Besides NAAC, VGU also has approval by various National and International Academic and Professional organisations. VGU is among the top universities in India.

Beyond its traditional offerings, the university remains at the forefront of educational innovation, leveraging technology to expand access and enhance learning outcomes. Through its robust online course offerings, students from all corners of the globe can engage with course materials, collaborate with peers, and interact with faculty members in dynamic virtual environments. Whether pursuing a BBA, MBA, BCA, MCA, MA (English), BA or MSC (Mathematics), students benefit from a flexible, student-centered approach to education that equips them with the skills, knowledge, and resilience to thrive in an interconnected, rapidly changing world.

ABOUT CDOE

In October 2022, the Centre for Distance and Online Education (CDOE) at Vivekananda Global University (VGU) took its first steps into the world of virtual education. Our Centre embrace the future of learning by offering flexible and accessible education to learners across diverse backgrounds and we are committed to providing high-quality distance and online education.

Currently CDOE, VGU is having portfolio of seven UGC-entitled Online Degree Programs, including Online MBA, BBA, MCA, BCA, MSC-Mathematics, MA-English, and BA. Now we are also offering Open and Distance Learning (ODL) programs for MBA, BBA, MCA, BCA and MSC-Mathematics.

We are focused to be a pioneering force in distance and online education, bridging educational gaps and transforming lives through technology-driven, learner-centric approaches. We aim to create a community of lifelong learners.

Special Features for Open & Distance Learning-

Flexible Learning Pathways:
Our programs are designed to accommodate the diverse needs of learners. With flexible schedules, self-paced learning material (SLMs), and a variety of digital resources, we provide adaptable learning pathways that suit individual lifestyles.

Cutting-Edge Technology:
Embracing the digital era, we integrate cutting-edge technology into our learning platforms. Our state-of-the-art online infrastructure ensures an engaging and interactive learning experience for our distance education students.

Well Qualified & Skilled Faculty Members:
We have pool of highly qualified and experienced faculty members specifically dedicated to the conduction of Personal Contact Programs (PCPs) in our Open and Distance Learning (ODL) programs. Bringing a wealth of expertise, these educators facilitate engaging and interactive PCPs, ensuring a seamless blend of theoretical knowledge and practical application for our remote learners.

Personalized Support:
At VGU's Centre for Distance & Online Education, we prioritize individualized support. Our dedicated faculty and support staff are committed to providing personalized guidance, mentorship, and assistance to help learners navigate their academic journey successfully.

Industry-Relevant Curriculum:
We understand the importance of staying current with industry trends. Our curriculum is regularly updated to align with industry requirements, ensuring that our graduates are well-equipped with the skills and knowledge demanded by the job market.
